

To Contribute Stock Certificates:

To transfer stock certificates directly to Ozone House, you will need a separate stock power for each stock certificate you plan to donate. The stock powers must be signature guaranteed. Your local bank or a broker can witness your signature and stamp it accordingly. Do not sign the back of the stock certificates.

Once you have signed the stock powers with the signature guarantee, include the stock certificates and the signature guarantee in separate envelopes.

Please mail both envelopes to:

Ozone House

Attn: Susan Monaghan

1705 Washtenaw Avenue
